This product meets the following Sustainable Style subcategories:  
Sustainable Manufacturing: This product meets the OEKO-TEX Standard 100.  
Socially Conscious Manufacturing: This product was made by a mill who partnered with Fair Labor Association and was made in a facility that is WRAP certified.

Shade variations are inherent in the pigment dye process.  
Pigment dye colours: These colours provide a vintage look that will remain for the life of the garment. Pigments are insoluble colour particles attached to the surface of cloth using a binding agent. Reactive dye colours: Provide a traditional dyed appearance, with the same great softness.
