This product meets the following Sustainable Style subcategories:

Sustainable Manufacturing: This product meets the OEKO-TEX Standard 100

Socially Conscious Manufacturing: This mill has partnered with or is accredited by the Fair Labor Association. This product was made in a facility that is WRAP certified

Note from Colortone:

Given the nature of the dye process, it's important to note that variations in shades may occur within each color. These differences range from more to less extreme color loss and from more to less saturation. This inherent variability adds to the unique charm of our products, showcasing the authentic craftsmanship of the dyeing technique
